

<b>BCS Tractor Model</b>	<b>Gearbox Oil Capacity (Quarts)</b>	<b>Gearbox Oil Spec</b>	<b>First Gearbox Oil Change Interval</b>	<b>Standard Gearbox Oil Change Interval</b>
201	0.75	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
203	1.4	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
204	1.4	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
205	1.4	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
601	1.9	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
602	1.9	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
604/612	2.2	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
605	2.2	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
620	2.1	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
705 (tiller)	2.5	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
705 Crusader	No gearbox	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
710	2	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
712	2	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
715	1.9	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
716	2	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
718	2	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
720	2	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
722	2	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
725	2.2	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
730	2	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
730GX11	2	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
732	2	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
735	2.2	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
737	2.2	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
738 or739 PowerSafe	2.4	HyTran / UniHydro / Universal tractor/transmission fluid	After 30 hours of use, with filter replacement	Every 100 hours of use OR once a year (with filter replacement)
740 PowerSafe	2.75	HyTran / UniHydro / Universal tractor/transmission fluid	After 30 hours of use, with filter replacement	Every 100 hours of use OR once a year (with filter replacement)
